Divine Word Missionaries

SVD stands for “Societas Verbi Divini” (Latin) which means the Society of the Divine Word, a religious missionary congregation founded in 1875, in Steyl Holland, by Rev. Arnold Janssen. Its motherhouse now is in Rome. Members of this congregation are known as the “Divine Word Missionaries”. There are more than 6,000 members (priests and brothers), coming from and working in more than 60 countries throughout the world, doing missionary work mainly among non-Christian people and helping local churches by being involved in different kinds of apostolate such as education, communication, justice and peace, missiology and dialogue. Nowadays, the Society of the Divine Word is the largest international missionary congregation in the Catholic Church.

Fr. Arnold had a keen interest in prayer, the printed word and the missions. These things combined to promote interest in and the establishment of a German mission-sending society – one that would prepare young men to serve the Church globally in areas where the Gospel had yet to be preached.

From a humble beginning on September 8, 1875, in Steyl, Holland, our Society of the Divine Word grew quickly. In less than four years, Fr. Arnold sent the first two SVD missionaries to China: Fr. Joseph Freinademetz (now St. Joseph Freinademetz) and Fr. John Baptist Anzer, who later became a bishop in China. Our society accepted its first Brother candidates in 1877 and within six years, they also went to China as missionaries.

On October 5, 2003, Fr. Arnold Janssen, SVD (the founder) and Fr. Joseph Freinademetz, SVD (the first missionary sent to China) were canonized by Saint Pope John Paul II.

Today, the Society of the Divine Word is composed of more than 6,000 men who serve in more than 70 countries around the world where the Gospel has not been preached at all or where a local church is not yet viable. The mission of the Society of the Divine Word is to carry out Christ's command to preach the Gospel to all nations through pastoral and sacramental ministry, teaching and working among those in need.

SVD started its mission in Hongkong in 1879 when the first missionary to China. Fr. Joseph Freinademetz was stationed in Yim Tin Tsai Island, Sai Kung, New Territories, for two years before entering Mainland China where he later started his China mission in Shang Dung. During his stay on Yim Tin Tsai island, Fr. Freinademetz also visited some fishing villages in Lantau Island. In 1948, SVD established a procure house in Kwoloon, accommodating many missionaries from China who were expelled during the China Revolution. Since 1965, SVD has been involved in the life of the Catholic Diocese of Hong Kong. At present, there are 18 SVD priests in Hong Kong (15 priests and 3 brothers) coming from 8 different nationalities.

In September 2006, four SVD missionaries were sent to Lantau Island, administering the Epiphany Parish. They are Fr. Osvaldo G. Metz (Parish Priest), Fr. Jay Francis Flandez, Fr. Henry Cabral and Fr. Herman Ramli Tabut.

Message from Provincial, China Province, Society of the Divine Word

Dear current and former administrators, teachers, staff and students of Sing Ying Secondary School,

On behalf of the Society of the Divine Word and the China Province, I congratulate all on the occasion the 45 anniversary of the foundation of Sing Ying Secondary School.

These 45 years, Sing Yin High School has gained a firm reputation both as an academically first rate institution and as a school that welcomes students from all economic backgrounds. As a former professor of physical chemistry, I am especially happy that Sing Yin High School has been a leader in mathematics and science education.

Sing Yin High School has from the beginning been sponsored by the Society of the Divine Word, a Roman Catholic Missionary Congregation. Thus it is most important that students not only have a first class technical education, but that they also learn to live out in their lives the Christian values of love of neighbor and service to others. Also, while respecting the religious freedom of all, students and employees of Sing Yin should also have the opportunity to learn the basics of Catholic theology and ethics.

Sing Yin Secondary School recently moved to its new campus. I am grateful to all those who made this transition go so smoothly. Not long ago, Sing Yin Secondary School received an award as the "greenest school on earth." Whether the accolade is completely true, is not mine to judge. But the wonderful new, environmentally friendly campus is a reminder to all of us, and especially to Sing Yin faculty and students, to work unceasingly to preserve the environment of our fragile planet.

May God bless all of you! We look forward to many more years of service to the people of Hong Kong and the larger world community.

Sincerely,
Frank Budenholzer, SVD
Provincial, China Province

Whenever any Sing Yin anniversary occurs, the first person who comes to my mind is Father John Schutte, SVD, the Superior General of The Divine Word Missionaries, from 1958 until 1968. Had it not been for the vision and determination of Fr. Schutte there would never have been a Sing Yin Secondary School in Hong Kong, nor would I have ever been involved in school work. When he visited Hong Kong in 1967, he was very pleased with the location of the School site, in Lam Tin, where the Divine Word Missionaries could serve the poor families of the area by opening a Secondary School.

I cannot help but wonder what Fr. Schutte would think of the "new" Sing Yin were he still alive. I believe that like all of us he would be amazed at the incredible evolution of Sing Yin, Lam Tin, to the new state of the art secondary environmental School at New Clear Water Bay Road. High praise is due to the Supervisor, Fr. Lim, SVD; the Principal, Mr Kwok But; the Assistant Principals; and all the Staff who so successfully accomplished the relocation of the Students while still maintaining such excellent academic standards.

The "new" Sing Yin is a monument to all the Sing Yin Staff, who during the past 45 years have served the School and its Students with distinction and who have also helped create Sing Yin's unique spirit and ethos which has been successfully transmitted to the "new" Sing Yin.

Sing Yin Alumni Association also played a crucial role in ensuring that the "Old Boys" could readily identify with the "new" Sing Yin and that they could understand that the essence of Sing Yin was not the "old" School building but rather the School's spirit and ethos which remain unchanged.

The generous support of the Alumni Association as well as that of individual "Old Boys" and parents was a very welcome sign of appreciation of the sacrifices made by the Sing Yin Staff during the past 45 years.

The success of a school can be judged according to the kind of persons it produces. In this regard so many of our former Students have turned out to be like their teachers, persons who are aware that the innate talents and abilities God has given them and which are developed through Education, are not meant only for themselves but also for the benefit of others, especially those in greatest need.
The generous support of the Alumni Association as well as that of individual former Students and parents for the school is a clear indication of the appreciation of our "Old Boys" for their former teachers. At the same time, it's a reassurance for their teachers that their devotedness and self sacrificing efforts, on behalf of their students, were successful.

I am deeply grateful that through Divine providence, I spent the best and the happiest years of my life in Sing Yin. I hope all my former colleagues as well as the staff of the "new" Sing Yin will feel the same way.

It is very fitting that the "new" Sing Yin, through its special emphasis on protecting the environment, is forming students to serve the community in this way. It is much in line with Pope Francis’ latest encyclical calling upon the people of the world to respect our planet Earth, and all of God's creation and avoid exploiting nature for selfish financial gain.

May God who has poured out his blessings on Sing Yin during the past 45 years continue to bless the Divine Word Fathers, all our former Supervisors, Principals, Assistant Principals, Staff, Managers and Students and grant eternal peace to those who have passed on. May He bless and guide Fr Johnson, Supervisor; Mr Wong Chi Keung, Principal; The Assistant Principals, the Staff as they move forward into the future striving to guide their Students towards seeking ultimate Truth and meaning and purpose in life.

Fr. H.P. CANAVAN
(Former Supervisor and Principal, 1970-1993)
My heartiest congratulations to all the staff and students of Sing Yin on the occasion of the 45th anniversary of the school. While reflecting on the achievements of Sing Yin over the years, I began to think of the ingredients that make for success in the school, or indeed, in any enterprise. An incident comes to mind well illustrate what I mean by ingredients.

It happened one day as I was on an errand in Mongkok. It must have been summer because the day was swelteringly hot. I needed to drink something to relieve my thirst. An ice-cold fizzy drink would have been nice. As I looked around to see if there was a store close by, I noticed a small stall tucked in the corner of an alleyway selling fresh fruit juice. That would be much healthier than a sugar laden calorie bomb so I joined the queue of one.

The lady who operated the stall was extolling the benefits of pure juice to the customer ahead of me and the talk turned to how much food and drink nowadays was laced with all kinds of artificial flavours and chemical preservatives. “My juice is one hundred percent pure” she said; “absolutely nothing added but the fruit itself.”

My turn then came and I asked for a fresh melon drink. She carefully prepared the melon pieces and after a short whirl in the blender, she poured out a large beaker of frothy pink drink and placed it before me. There was still some left over, so she poured that into a smaller beaker and placed it alongside. I was certainly getting value for my money. She then stood still and watched, perhaps with a little apprehension, to see how I liked the drink. I took a good sip and it was indeed wonderful. “Just pure melon” I said. “Nothing added” she answered.

I took another long sip and I said “I saw you adding something else to it”. She looked a little shocked and insisted she had added nothing to it. “But I saw you add something extra” I said.

“What did you see me add” she asked. So I told her I clearly saw her add love and concern to the mixture. She looked puzzled for a moment as she tried to figure out what I had said. Then the penny dropped and she broke into a beaming smile from ear to ear. I had made her day, but I had only told the truth. I really did see her add love, concern and great pride in her work.

That is what I mean when I speak of the ingredients for success, and I like to think that it is the addition of love and concern that makes Sing Yin what it is. A small part of the love is provided by each of you, but don't forget that the largest share comes from our loving Father in heaven.

Fr. Brian Lawless, SVD
Former Supervisor
Congratulations to the Sing Yin Secondary School community for your Forty-fifth foundation anniversary.

Existence brings joy, and growth gives us reason to celebrate. From its simple beginning along the hills of Lam Tin, we are thankful for and proud of what Sing Yin Secondary School is now – an excellent Catholic religious boys’ school in its new campus, well-prepared for the millennial students of today and the future. At 45, Sing Yin Secondary School is built up by extra-ordinary people with dedication, hard work, faith, and grace; not hurriedly, but with the prestige that only time could give. I honor and congratulate those leaders, teachers, and students that have become the face of Sing Yin Secondary School.

I take this opportunity once again to thank those colleagues that I had the privilege to know and work with when I was supervisor of this good school from 2002 to 2013. Thank you for the friendship and camaraderie. The things I learned from you are now helping me in my new mission in yet another SVD school here in Manila, Philippines.

With best regards and my prayers.

Yours, In Christ.

Fr. Emilio D. Lim, SVD
Former Supervisor
It gives me great pleasure to extend my congratulations to the supervisor, principal, staff and students of Sing Yin Secondary School on its 45th Anniversary. I would like to thank Mr. Wong Chi Keung, the new principal, for inviting me to share my thoughts on this happy occasion. I am sure under Mr. Wong’s leadership, Sing Yin will move forward from strength to strength.

Over the years I had make quite a number of visits to Sing Yin, and so have many of the retired teachers and the old boys. Sing Yin is like a strong piece of magnet attracting us to return again and again, particularly on special occasions. I remember in July 2011 when Sing Yin bid farewell to Lam Tin, I met a former head prefect who came all the way from Canada, just for the weekend, to participate in the function. On that day over one thousand old boys were there.

I can detect a strong bond forged between the staff and the students. It is this connectiveness which accounts for the outstanding achievements of our students and making Sing Yin one of the best schools in Hong Kong. Sing Yin is indeed the place where our hearts belong.

To keep Sing Yin moving forward, particularly in the present climate of individualism and consumerism, it is essential to emphasise again and again our school mission of preparing our students to live life to the full. May God bless our students that they put into practice the Christian values and beliefs, to become as St. Francis said, "Instruments of Peace":

\[ O \ Lord \ make \ of \ me \ an \ instrument \ of \ Thy \ peace; \]
\[ Where \ there \ is \ hatred; \ let \ me \ sow \ love, \]
\[ Where \ there \ is \ resentment \ let \ me \ sow \ forgiveness, \]
\[ Where \ there \ is \ discord \ let \ me \ sow \ unity, \]
\[ Where \ there \ is \ doubt \ let \ me \ sow \ faith, \ldots. \]

成功路上

郭弼（前任校長）

我在1976年加入聖言的。當時，聖言才成立了六年，學生的能力有很大的差異，會考和高考的表現也參差。課外活動未見突出，學生紀律也時有問題。但到1980年代中期，在很多區的家長、學生、老師和舊生眼中，聖言已成为了一間優秀的中學。為甚麼會有這種變化呢？

一切得從甘百德神父說起。他一手一腳創辦了聖言，繼而順理成章地做了首任校長和校監。理論上他可獨攬大權，隨意訂立苛刻的規章。但他沒有這樣做。他的管理之道，和中國傳統不謀而合，以仁義為根，以學生的長遠整體利益為本。

他最為舊生欣賞的仁政是一年三百六十六日都朝九晚七開放的自修室制度。1970年代，香港還是發展中的地區，居住環境很差。我曾陪伴一位有名的教授到藍田舊村一遊，發覺不少一家五、六口住在一間狹小、面積只約二百尺、沒有獨立房間的單位，左鄰右里人聲噪雜，環境比現在的廁房還差，要專心讀書實在困難。有見及此，甘神父便將一些班房變做全天候自修室，由自修室風紀管理。不要說當時，就是現在，大批份學校還是不願承擔自修室額外的風險。這項德政由黃慧賢校長和我承傳至今，幫助了很多學生成才。無疑今天我們學生的居住環境進步了很多，需求不大，但只要有幾個學生得益，又何須掛慮多用幾文錢的電費呢！再者，要自修室風紀管理，實在是讓他們實踐耶穌基督施比受更幸福的好機遇，而不是浪費人力之舉。

甘神父當然制定了不少校規。與一些學校不同的是，這些校規都有理有據，鬆緊合宜。比如，學生的儀容要整潔得體，但聖言從不規定學生的髮長要在衣領上一寸。學生可在籃球場踢波，卻不可在有蓋操場踢以免損壞公物。對違規學生的懲罰也合情理，不會過苛。有時候，甘神父發現有同學在有蓋操場踢波，也只是警告了事。我亦沒有將功抵過的作法，為學校帶來再多獎項的學生犯了過一樣要罰，屢屢犯規的同學做得好一樣有獎。不設獎罰分明，訓輔也從未合一。這些做法可能不合潮流，但聖言同學在校內及校外的表現都有口皆碑。不少被邀請到聖言演講的嘉賓都盛讚聖言學生有規有矩，專心學習，反應良好。我到校外鄰近的商舖購物時，一些店員也主動稱讚聖言同學的言行。

聖言自創校始已重視課外活動。1982年，甘神父更派我做首任的課外活動統籌主任。依著神父的腳步，我校都以支持學會為主，監管為副。沒有需要便不會訂立甚麼規條。所以只要學會用錢用得其所，校方都會支持。預算超支了也不會大興問罪之師。課外活動的發展亦以學生興趣、從下到上為先。早期，只要有一位老師支持，七八位同學有興趣，便可成立學會。舞蹈、跆拳道、烹飪學會等都是這樣成立的。這政策取得了極佳的成果，很多學會如天文、問答、舞蹈等都曾獲得全港冠軍的寶座。後來當各式學生組織多達六七十個，再難以找到合適的顧問老師，新學會成立的速度不得不慢下來。只有當一個舊學會因連續幾年太少人參加，比如少於七八人而
停辦後，才可以成立一個新的。除此之外，校方從未要求任何學會停辦。因為我們深信課外活動有助學生發展興趣，令他們將來能在工作和生活間取得平衡，更不要說學生能學到的領導才能可以令他們工作成功。要課外活動取得成功，最重要的是讓他們發掘到興趣，學校不應以財政或行政問題而停辦學會。

要貫徹執行以上的政策，老師的熱誠和能力不可或缺。甘神父管理教師的方針都因應這兩個大目標而發展。

雖然我不知道他用甚麼方法挑選老師，但我知道他所聘任的老師絕大部分都是聰明能幹、熱衷教育、關心學生的好老師。到我擔任校長時，聘請老師的過程和甘神父的年代沒有大分別，只是引入了全港少見的明辨思考題，難倒了不少公開考試的尖子。雖然我們沒有用其它學校的兩次面試、試教或教案審核等方法，我有幸被主教相信聖言聘用的幾乎全部老師都是十中選一的好老師，很多更是百中選一、千中選一的老師，就是萬中選一的都有幾位。

一如關心學生一樣，甘神父同樣關懷職員和老師。多年前的一天，氣溫驟降，我無需通知校長，便可趁空堂時回公司去。直至今日，聖言的職員都可偶爾離校半小時而毋需校長批准。女兒老師懷孕，都可以無需醫生批示便請假半天或一天休息或做檢查，這比一般學校多得多了。我知道同樣的情況，有校長會埋怨老師帶來麻煩，甚至懼怕懷孕是否真的不適。甘神父的關懷甚至展延到同事們的子女，結果是有工友的五位子女都在聖言畢業。相對於一些苛政猛如虎的學校，聖言就像天堂。我們不單請得好老師，更能留住他們，事實上，聖言老師的流失率比大部份學校都低得多。

除了關懷老師，甘神父亦很尊重老師的專業操守、決策和能力。絕大部份的學校都會為影印教材設閾口，聖言從來沒有這樣做，只會不時增加影印要以環保為念，不要濫印。老師們也沒有有令方失望。最近一次的校外影印審查便發現我校的人均影印量比大部份學校都低。老師在課堂上同樣有很高的專業自主權。甘神德神父從未課堂轟課，亦從不會在老師在場時替老師管學生。當然，時代變遷，我校不得不引入課程的政策，但仍然一切從簡－－毋需交教案，一張紙的評估表、簡短的回歸，更絕不會突擊課。不過歷屆校長仍然堅持不在課堂上代老師管教學。更重要的是，每位老師都自己一套的教材和教案，符合他讀書教學多年建構出來的知識框架，而非共同編課程的教案，教學時更能得心應手。多年來的專業自主，令老師的能力充份發揮，帶來學生的出色的學習成績。

最後要提起的是我校只會採用有效的教學法。曾經，教育局全力在初中科科推動發現式教學，我校亦無異用了一段短時間，但不到幾個月便發現大部份學生都發展不到甚麼，只好用回較傳統的方法。過了兩三年，外國的大規模研究也發覺此路不通。當然如此，教育局亦沒有撤消這教學法，只是稍為改訂並改名為引導發現式教學法而已。最近不少學校都用普通話教中文，因為它們相信這做法能提升中文的水平。可惜一些實證研究卻發現普教中未能提高中文的成績，老師卻要用大量的時間去準備和備課，可說得不償失。更有學者指出普教中難以令學生欣賞唐詩宋詞的音韻之美。不說普通話不重要，聖言早就在中一至中三開設了普通話科，經校外評估，印証了學生的水平不錯，實在毋需徒勞無功地去搞普教中。反之我校不少的新教學法卻有實證支持，部份更在聖言用對照實驗或前、後測等方法確認成效，例如學習技巧、明辨思考、展延思考等課程都是如此。一天裏有兩個小息加午飯時間的政策也是因為多活動能提升大腦血流量，從而提升學習成果而引入的。

四十五年來聖言都堅持著以上的大原則去管理學校，讓老師和同學的能力和興趣得以盡情發揮，取得了出色成果，成為知名的中學。看似得來容易，其實不然。四十五年來，香港有不少中學冒起，也有昔日的名校狀態低沉。聖言要永保高峰，甚或精益求精，其實有一定的難度。但我相信只要保持傳統的大原則，再適度引入新的、合宜的措施，聖言定能與時俱進，登峰造極。
I started my first job in Sing Yin in 1978, and after thirty three years, it was my last. Even though I have retired, I never regarded that I have ever left. Now, I return school as a substitute teacher whenever necessary. It is also a good time to meet my colleagues and also the current students.

I am always grateful and proud to have served Sing Yin. I am grateful to have been part of a strong team of devoted teachers, many of whom are my best friends. I am proud that many alumni have turned into confident, responsible members of the society, many of whom are outstanding in their profession. I still keep contact with alumni of different graduation years and now I am more like a friend than a teacher.

Retirement to me means more free time. Besides, time can be spent more flexibly. I play tennis with different groups of friends two to three times a week. I can have time to watch various sports programmes on TV. Meeting friends does not necessarily have to be on weekends. Another difference is that I now travel more. Short trips were to Japan and China. Long trips were to the UK, France and Spain. All these were leisure trips, in which I enjoyed food and shopping with friends. The most memorable one was the trip to South Africa to visit Father Canavan, the founding principal of Sing Yin, two years ago.

May I take this opportunity to congratulate Sing Yin on its 45th Anniversary. I am sure Sing Yin will continue to be an inspiring, enjoyable and amicable learning place for all our students.

An Interview with Mrs. Ma - Former Assistant Principal

5B Wai See Hon & 5E Cheung Tsz Him

There was a retired yet passionate teacher who dedicated most of her lifetime to Sing Yin. She had nurtured countless students throughout her teaching career.

She was our former assistant principal, Mrs Ma Chan Chui Kin.

Upon the 45th Anniversary Open Day of Sing Yin Secondary School, we are honoured to have Mrs Ma with us, recounting from her teaching years to her current retirement life.

Mrs Ma started her teaching in Sing Yin in 1971. She mainly taught English and Geography to students in junior forms. In 1975, she flew to the United Kingdom to pursue further studies, during which she experienced numerous unforgettable journeys that enlightened her in her career.

One of these was her trip to Malta, an island on the Mediterranean Sea. There, she needed to teach students whose mother tongue was neither English nor Chinese. She could not switch languages if they did not understand what she was trying to put across. In other words, she had to think of different ways to convey her ideas to students who learned English as their second language. Owing to this memorable encounter, Mrs Ma was greatly inspired from her practice in Malta as Hong Kong students are in a similar learning environment. “I gained a lot from teachers and students in Malta,” she recalled.

During her term break in the UK, she went on field trips to places like Scotland, Holland and Wales. Apart from seeing the magnificent scenery and unique geographical features in these countries, she had plenty of chances to meet the locals, through whom she learned more about the cultures and customs of different places.

In spite of having retired from Sing Yin, Mrs Ma still keeps a strong bond with teachers and students of the school. “I remain close to the Sing Yin family though I’m officially retired,” grinned the former assistant principal.

Since retirement, Mrs Ma has spent a lot of time travelling abroad to visit former colleagues and students. In 2011, she went to South Africa to visit Father Canavan, the first Supervisor and Principal. “I would always cherish the precious moments I spent with my Sing Yin friends,” added Mrs Ma.

Her passion for teaching stays on. She has been a substitute teacher in Sing Yin on four different occasions. “I’m so grateful that I still have the chance to serve the school.” When asked about her expectations of Sing Yin boys, Mrs Ma gave a smile. “Sing Yin boys are always zealous and dedicated. I’m confident that they will continue to excel in many areas, ranging from academic to aesthetic aspects.” Mrs Ma also added that the eagerness to strike for the best is one of the strengths Sing Yin boys possess.

Message from the Supervisor

On this occasion of the 45th foundation anniversary of our Sing Yin School, I extend my sincere compliments to all of you. May almighty God continue to shower his abundant blessings on our school especially all the students and staff members and their families, and on those individuals who are directly or indirectly related to the school. As we celebrate this happy occasion, I am pleased to share this souvenir to commemorate our schools 45th foundation anniversary.

Forty five years ago, a Divine Word Missionaries priest named Fr. Patrick Canavan and his collaborators established our school. They followed the vision of the Founder of Divine Word Missionary Priest Saint Arnold Janssen who constantly encouraged establishing schools, as part of the missionary work. Fr. Arnold Janssen envisioned offering good education to all children from a lower socio-economic background to improve their quality of life. It is on this principle that our Sing Yin School was established and to date continues to follow the same principle; which is to provide quality education, and endure the core values in catholic education and to form students for next generation equipped with competitive knowledge and wisdom.

In the past 45 years our Sing Yin School has achieved a reputation as being one of the best schools in Hong Kong offering quality education for boys in the local community. This achievement is primarily based on the determination, and generosity of our schools founding priest Fr Patrick Canavan, and other SVD priests, teachers, students and Alumni, and their families who have constantly worked to sustain our Sing Yin Schools progress. I am sure that the current members involved with the Sing Yin School will continue to work hard in the schools future development of our school, and overcome new challenges to sustain our traditions and success.

I would like to express my sincere gratitude to all individuals who have directly or indirectly contributed for the success of Sing Yin School especially all parents, and alumni, for their love, kindness, and support. Through the intercession of our founder saint Arnold Janssen, may the good Lord bless all our Sing Yin family members so that they may remain as an example of his love in this world.

May God bless and protect all in Sing Yin.

Fr. Johnson Dhos, SVD
The Supervisor
Sing Yin was established in 1970, with the aim at providing quality education for male teenagers in Hong Kong, promoting their academic excellence and personal development. With the concerted effort of Fr. Canavan, the first Supervisor and Principal and his colleagues, Sing Yin has transformed rapidly from a small school with 370 students to one with over one thousand students. Over the years, Sing Yin helps students to live a full life by promoting the spiritual and moral, intellectual and emotional, cultural, social and physical development of the students.

I would like to thank the Education and Manpower Bureau for providing us with such a beautiful campus with large number of comprehensive environmental features. Such a lovely and spacious environment makes development of students' interests and potentials possible. Green schools are a source of pride for students, both in their school and their individual accomplishment. The National Foundation for Education Research in the UK conducted a survey in 2008 focused on students' attitudes towards green schools. According to the results, there was a 34% increase in school pride and 11% increase in overall enjoyment of their school experience. Hopefully, this has a similar effect upon our own students. With the efforts of our teachers, especially Miss Lok Yuen Kwan and Miss Liu Pui Ying, and the active participation of the students, our school won many green awards such as the Hong Kong Green School Award and the Greenest School on Earth Award 2013, etc.

The NSSC has started from 2009-2010. Since then, we have got about 700 DSE graduates. The percentage of students with ‘33222’ (the University Admission Requirement) maintained around 85%. The percentage of degree enrollment continues to hoist. In 2014, it was 69.2% and in 2015, it was 71.7%. In 2012, our graduate Chan Chun Ho became the best student in this first ever DSE examination, with eight 5** subjects and one Level 4 in music. This reveals that our teachers are competent and our students are brilliant.

Sing Yin is committed to whole person development. There are more than 60 ECA clubs and student organizations to promote students' potentials and interests in various areas. We set up over 30 academic and interest clubs, 15 sports clubs, 8 aesthetic clubs and over 10 service organizations to nurture leaders, build self-esteem and confidence, promote social interaction and nourish love and cares among others. In 2013, our student Tam Pok Man received the Grand Prize of the Student of the Year for his all rounded development. We treat all the students as gifted. We have a belief that every student should have an opportunity to reach his individual potential. The vast number of awards won by the students further recognizes the success of Sing Yin.

Lastly, I would like to express my sincere gratitude towards Fr. Canavan, Miss Wong Wai Yin and Mr. Kwok But for their perfect, fantastic and effective leadership and guidance, and great contribution towards the school. Many thanks go to the teachers and staff for their hard-working and loyalty to the school. The assistance and cooperation of our parents and alumni are also very much appreciated.

Above all, we are most grateful to God for His blessings through these years. May God continue to guide us as we move forward.

Message from the Assistant Principal

During my 27 years in Sing Yin, I witness changes in Sing Yin and batches of fresh and green faces transforming into confident, all rounded and conscientious young men. In the 1970s, the majority of students placed their emphases on academic achievements. They were very devoted in striving for good academic results. When it comes to 1990s, I could observe that a gradual change in students' attitude towards “learning” took place. Students were no longer solely focusing on academic achievements. They started to go for sports and other activities, to unearth their potential. Nowadays, students are able to obtain outstanding achievements in various areas and so as passing their examinations with flying colours. Our old boys may have never imagined that their junior fellows would be able to pursue such impressive achievements.

The changes in students are indeed coherence with the changes in society. Due to the advancement in technology and globalization, internet acts as information superhighway. Students could easily obtain the latest news from the other side of the world. Their learning is no longer limited to classroom context and materials presented in textbook. Their focus on learning should have shifted from “what to learn” in the past, to “how to learn” in order to adapt to the fast changing world and to deal with the massive bits of information released every day. I am proud of Sing Yin boys that they excellently demonstrate effective learning and exploring the world themselves. They not only doing well in their studies, but also striving for enhancement in other areas. Our remarkable achievements in environmental education clearly illustrated how our students seek their own ways in interacting and contributing to society. The award of “2013 Greenish School on Earth” is a token of our achievements. Nonetheless, it is also an imperative mile stone that marked the growth of our boys. We believe Sing Yin boys would be able to uncover their greater potential in their long journey.

Performance Night and Open Day are two major events for celebrating our 45th Anniversary. Alumni from 1970s to 2010s, teachers, parents and students participated in the Performance Night. The fusion of the talents of different generations gave us a warm and impressive night of high quality. The Open Day provided a good chance for our students to show their creativity and enthusiasm. With the dedicate contributions of teachers, students and staff, we accomplished an enjoyable, relaxing and successful Open Day for our guests. This year, one of our alumni organized a football tournament for Sing Yin Alumni - The First Alumni Tournament. Thirty teams were enrolled in the tournament and it took 4 months to have all matches played. All participants enjoyed the matches and the longitudinal linkage among old boys was strengthened. These events provide platforms gathering alumni and their families of different generations. They could certainly enjoy their school life even after their graduation.

With such a strong bonding among our alumni, parents, teachers and students, I am sure that Sing Yin could meet any challenge in the future.

Poon Wai Cheong
Assistant Principal
It is with great pleasure that I offer my heartiest congratulations to Sing Yin Secondary School on the 45th school anniversary. There is a saying: 'mighty oaks from little acorns grow', meaning that great things can come from small beginnings. This is true not only of the school itself, but, more importantly, of the many hundreds of thousands of students who have passed through its doors over the last forty-five years.

Taking this opportunity, I would like to share with you all some words from a bible diary 2014 named 'The WORD in Other Words' which contains daily scripture readings and reflections written by the priests, brothers, and sisters of the three congregations founded by St. Arnold Janssen (the SVD, SSps and SSpsSAP). It hopes to serve as a daily companion to readers who continually seek the correlation of the Word of God and human experience.

'Disregarding the message that was reported, Jesus said to the synagogue official, “Do not be afraid, just have faith.”

Mk 5: 21-43

If only we can disregard the snide and ridicule of people who do not understand the working of the Lord. If only we can disregard these doubts and fears we have of ourselves, of others' love, and of the future. If only we can have the single-mindedness and the purity of heart of Jesus. He says: 'Do not be afraid; just have faith.'

There will be, and there always will be, changes and challenges ahead for us, such is the nature of life. We do not know what the world will look like in another forty-five years given the changes over the past forty-five years, but rest assured, with the support and encouragement of caring parents, alumni and enthusiastic teachers and staff, our students will treasure what they have attained, will shoulder their responsibilities and will share generously with others in the community.

Sing Yin is a place of great beauty. It is a place of warm touch.

From '11, On Tin Street' to '38, New Clear Water Bay Road',

'Do not be afraid; just have faith'.

May God bless you

Message from Parent Teacher Association

聖言中學家長教師會（以下簡稱本會）在1999年7月成立，感謝校方一直以來對本會的支持。本會的宗旨為推動家長與學校合作，加強家長與學校之間的聯繫，促進雙方溝通，改善學生福利，並鼓勵學生多方面發展。

本會常務委員會共16名委員，分別由8名家長委員及8名教師委員組成。我們以真摯、誠懇、尊重和包容的心，發揮家校合作精神，以聖言學生福祉為大前提磋商、討論共同關心的事宜。

自成立以來，本會積極舉辦不同類型的活動，如專題講座、親子日營及工作坊一一如切割水仙班、鰻魚年糕班、宮燈製作班和無火煮食工作坊等。目的是藉此增進家庭感情，建立和諧的親子關係。並以每年十二月的《簡訊》及五月的《會訊》，報告本會年度工作及學生活動。

學校於2013年成立法團校董會，本會是唯一認可的家長教師會籌辦家長校董選舉。家長校董的角色是擔當家長與學校管理層的溝通橋樑，反映家長作為學校主要夥伴的意見；協助改善教育質素，並就學校重要事項參與決策及制定發展目標。

作為聖言中學的一份子，在往後的家校合作路上，本會將繼續朝着「家校同心、齊步向前」的原則處事。「十年樹木，百年樹人」，感謝聖言中學過去四十五年來對學生的教育和社區的貢獻。祝願聖言中學在未來日子裏，繼往開來，再創佳績！

《川流橋》 - 周炎禧（2014-2015年度校友會主席，1976年畢業）

當上校友會主席一職快兩年了，在委員、校友、校監、校長及老師支持下，本會積極參與校方的活動，備受各方認同和讚許。無論13—14年度「規範創新，凝聚和諧」的意向，或14—15年度「群策群力，眾志成城」的目標，都能順意完成。且看以下一些資料，大家便能了解其中一二：

- 以下是本會的網址，內容豐富，希望更多校友知道校友會的工作。
  (電郵是 singyinaa@gmail.com)

- 去年校友會有了會徽，其中的含義深永：

- 一如其他機構，以下是本會2013—2014年度委員會的結構圖。其中邀請了以往的主席及委員當顧問。有見不少舊老師及校友移居澳紐及加拿大，所以本年度本會嘗試在這兩地邀約相熟校友作聯絡人。
本會也有利用 Facebook及Whatsapp 等社交平台，凝聚及加強校友間的聯繫。

2015年3月6日，本會應校方Career Mistress 習老師邀請，協助舉辦了一個名為「輕輕鬆鬆談職場」的活動，我們聯絡了7位在不同專業上有傑出成就的校友回校，與一眾學弟分享他們的成功經驗，並譙譙勸勉他們待人處事應有的態度。各位校友全是獨當一面的專業人士，工作繁重、時間寶貴，然而在接到邀請時，他們都二話不說，一口答應，對聖言情濃意重，盡在不言。

經此活動，本會察覺絕大部份校友都有回饋母校的心意，然而，有些可能未知道回饋渠道，而母校也未知道怎樣聯絡校友。這一切突顯了校友會的重要功能：本會就是連接母校與校友的一座「橋」，校友能藉校友會的活動，有更多機會支持母校發展，使聖言同學能在一眾師兄耕耘的沃土上茁壯成長，結出更豐碩的果實。

校友會這座「橋」可謂任重而道遠。

聖言中學自1970年由甘百德神父創校至今，45年來一直貫徹其辦學精神。歷任校監、校長、老師的努力，代代聖言同學人才輩出，使母校在不同範疇，屢獲殊榮，成為一所屹立東九龍的名校，我們身為聖言一份子也深深引以為榮。因此，本會定會竭盡所能，發揮功能，讓更多校友能有機會回饋母校。

在此祝願聖言中學及師弟們百尺竿頭，更進一步，昂首前行，邁向金禧。

最後，謹祝這座在《川流》上的「橋」日益擴展，校友能照來攘往，川流不息，成為校友回饋母校的一條康莊大道。

**English Debating Club**

With the aim of enhancing the English standard of Sing Yin boys, English Debating Club was founded in 2012.

Debating workshops are held every year to help new members learn about English debating. Through the workshops, their analytical skills and communication skills are improved. They need to examine the motion carefully and search for useful information before deciding what to say in their speech. During the practice session, they have to present their arguments clearly to convince others. Besides, members can join inter-school debates as well as watch debates of other schools, so as to challenge themselves and learn from others.

We sincerely hope that our club can equip our fellow schoolmates with the skills they must possess to excel in this ever-changing world.

Financial Management Club was set up in 2010 and our club in total has two aims. The first one is to raise students' interest and awareness of financial management. The second one is to promote the correct concepts of money management and teach our students how to manage their money well. For club activities, we organise a variety of activities to arouse students' interest in business, such as running a store in the Lunar New Year Fair, holding talks and crossword puzzle competition. Among these activities, running a store in the Lunar New Year Fair is an extraordinary activity that we schedule every year. We invite students to invest in the store and they can also become one of the participants in this activity. Not only can this activity broaden students' horizons, but also let them gain a special experience of being an investor or a shop helper in the reality. We believe that we can persist in reaching our aims.

The Martial Arts Club was established in September 2010. One of the purposes of setting up the Martial Arts Club was to introduce Wushu as a valuable traditional exercise to our students. Another purpose was to encourage students to take up Wushu as an after-school activity. Besides enhancing body fitness, students may learn to be tough and respect seniors. This year we have recruited about seventy members. We have arranged a Wing Chun course of 20 lessons for the members on Thursdays. We have also prepared Wushu demonstration and video shows at lunchtime.

Mr Wong Fu Hong, our club adviser, played Tai Chi very well. We may arrange a Tai Chi course for our students later. Last year, our club was invited to give a Wushu performance on the Prize Giving Day. This is our honor. Our target this year is to attract more students to take the Wing Chun course. Also, we hope this good Chinese traditional exercise will go on in Sing Yin.

Cookery Club

The Cookery Club was established in 2011. It aims to introduce students to the basics of cooking. It is also about bringing schoolmates together to enjoy food and have fun. It is one of the most popular clubs in Sing Yin.

In the past few years, the Cookery Club has organized a number of cookery courses to teach members how to cook simple food. The club chooses easy methods and recipes for them to practise cooking skills. The committee members focus on the practical side of the club, like buying the ingredients, making preparation before each cooking lesson, and providing support to the club members during the lesson. After each cooking session, the club members wash the equipment and utensils and tidy up the kitchen. Through the courses, the members will discover a passion for food and find satisfaction in creating a meal. Besides, hygiene rules, kitchen safety and healthy eating will be emphasized in the courses.

In the future, the Cookery Club will keep organizing different kinds of cooking courses to arouse students’ interest in cooking and to help them gain some essential life skills.

Journalism Club

In a society surrounded by controversies, seeing things through different lenses is vital to everyone, especially teenagers. Since its establishment, the Journalism Club has aimed to cultivate critical thinking skills among students in Sing Yin.

We hope to arouse students’ sensitivity to current affairs through a variety of activities like monthly speech sharing sessions, during which students voice out on different arguments, as well as irregular functions like lunchtime quiz test and speech contest that are scheduled every year. Apart from these, students can get exposed to a diversity of social issues via our club notice board, where up-to-date hot topics are posted regularly.

We believe that letting students know what is happening nowadays can empower them to think clearly and critically and we will endeavour in pursuit of our aim.

Mock Trial Club

The Mock Trial club was founded in 2011, with the ambition to bring together students who are interested in the law and public speaking. The Club has held numerous internal mock trials where members are furnished with the opportunities to portray lawyers and witnesses in fictitious criminal cases. Also, each year, a team of students has the chance to take part in a joint school mock trial competition after undergoing intensive training. It is hoped that students can, through their involvement in such competitions, sharpen their command of the English language and their critical thinking skills. I myself was the leader of the team in 2011. I enjoyed very much the moments with the team, and I think I have learnt a lot throughout the competition. I have to say that my decision to pursue the study of law is due in large part to this experience.

As the founding Chairman, I am more than delighted to see that the Club has, despite its young history, attained various achievements which were never envisaged at its onset. It has not escaped me for one moment that such fruitful results cannot be achieved without the collective effort of the chairmen and committee members over the years, and more importantly, the lead of our advisor, Miss Chan. I would like to take this opportunity to express my gratitude towards them, and I wish the Club all the best in the future.

Orienteering Club

Have you ever heard of orienteering? I bet most of you have tried it out in various occasions, for example, in leadership training courses. Of course, you’d be familiar with it if you’re a member of a uniformed group. Yet, can you tell what exactly it is?

Orienteering is a sport which involves searching checkpoints as quickly and precisely as possible. Contestants trek across mountains using specially-designed maps that include detailed geographical features like boulders and creeks, and determine whether they get it right once they’ve found a control point.

Veterans in orienteering sport are often known for their high physical endurance, extraordinary wisdom, as well as proficient decision-making ability.

Owing to the myriad edges orienteering could bring, our club is always glad to promote this sport to our fellow schoolmates. This year, lectures of Level 1 and 2 given by qualified coaches from OAHK are applicable for our students with a reasonable fee. By attending these interactive lessons, schoolmates can develop map-reading and analytical skills through indoor and outdoor practice. Regarding competitions, we’ve always been striving for our school’s achievements through our considerable endeavor. So our club sent 6 of our schoolmates to the Orienteering Cup Open in late 2014, and it is encouraging that they excelled in the competition.

Moreover, we held the first orienteering competition ever at the campus of Sing Yin, along with the neighboring areas in mid-2015. To instill orienteering into students’ mind, we organized a race consisting of a cross-country course in Ping Shek, and a Star-O course in Sing Yin. Schoolmates not only enjoyed themselves in the contest, but also developed knowledge about the place they’re living in, and a sense of belonging towards our school. As the chairman of the club, I never hesitate that innovation is the one and only way to have our mission- that is, to promote orienteering, delivered to Sing Yin Boys.

This is briefly the introduction to our club. Should you have any enquiries, please contact our committee members.

Political Studies Club

Political Studies Club was established in 2010. Cheng Ka Ming was the first chairman of Political Studies Club and also the founder of the club. The next chairman in 2011 was Lo Wai Ki, and the one in 2012 was Li Cheuk Him. The former chairman in last year was Chung Fu Lam. And Ip Man Fung is now the chairman of Political Studies Club in this year.

Political Studies Club is a new club with shorter history comparing to the other ECA clubs in Sing Yin. We aim at helping students in Sing Yin to study politics and social affairs. Then we let students learn by exploring our society. Political Studies Club organized visits in Legislative Council and June 4th Museum. Also, we participated in Election of Top 10 News and quiz competition before. In our school, we are used to posting news and articles on board and creating crossword puzzles for students in Sing Yin.

旅遊雜記

唐益謙老師

五年前提早一點離開工作崗位，本想爭取時間陪伴患病的老父，只可惜事與願違，他在我退休後五個月便離世了。走出傷痛，生活還得繼續！久別重逢的同事和校友多關心地問：「退休生活怎樣過？」自問這些日子多在「無事忙」的狀態下渡過—忙於購物、逛書店、到博物館看展覽、與朋友聚會、看電影和欣賞表演等。此外，我還愛「旅遊」與「攝影」。過去五年，我共走訪了東歐、德國、希臘、法國、瑞士、義大利和巴爾幹等地。

我自小嚮往希臘的文化藝術。二〇一三年，竟在雅典巴特農神殿巧遇一羣到來訪問的小學生，謝謝他們「賞面」和我這位幸運遊客拍照留念！

其後，我到了愛琴海上的「米克諾斯島」，那兒的「風車」和「落日」正是我想捕捉的景色。

經過驚濤駭浪之後，我便到達了愛琴海另一顆明珠「聖多里尼島」。那裏著名的小白屋，藍白教堂和冬暖夏涼的洞穴屋襯托着四週湛得化不開的愛琴海，真美！上岸後，我直奔往看「日落」最熱門的地點——「伊亞」！只見碉堡上已有很多遊客各佔據着有利的位置！鄰近的露天餐廳、酒吧和旅館也多被「佔領」了！愛琴海遊輪上的乘客亦等待着！大家都懷著同一目標——欣賞「日落」！當天雲層頗厚，但無損大家的興致！終於期盼已久的「鹹蛋黃」出現了！於是讚嘆聲、相機聲不絕於耳！不知過了多久，「太陽兄弟」漸消失在雲端，齊集在碉堡那數百名來自世界各地的遊人，竟「不約而同」地大力鼓掌，為大自然的奇妙喝采。
另一個迷人的國度是瑞士，她不但風光明媚，而且人民友善。記得那天風和日麗，我隨團在湖邊漫步，遇到一位坐在輪椅上的中年女士，她手牽着小白犬在享受陽光。我微笑著指指手上的相機，示意問可否替她拍照，她點點頭，展示一個非常、非常燦爛的笑容。我十分敬佩那位生命鬥士！她拒絶向「逆境」低頭！她選擇活得快樂！笑得燦爛！

還記得在環保城「策馬特」逛街時，忽然聽到「叮叮」「噹噹」的清脆鈴聲，然後見到數位穿着瑞士民族服裝的青少年帶着一羣羊經過。羊兒有全白、全黑和半白半黑的，頸上繫上小銅鈴，走起路來叮叮噹噹，非常有趣！此刻，遊人無不笑逐顏開，爭相替羊兒拍照，我亦不甘後人，連忙為小小羊兒拍了一輯短片，然後心滿意足地返回酒店吃晚飯。

至於阿爾卑斯山山腰的「利德阿爾卑」，它是個景色獨特、出塵脫俗的渡假區，山後的「阿萊奇冰川」更是阿爾卑斯山最壯麗的冰川。
欣賞「冰川」後，我們乘吊車返回山腰，享受下午的自由時光。突然，遠方傳來若隱若現的鈴聲，我好奇地問當地人：「這是什麼聲音？」她遙指山上笑說：「是牛鈴！那裏有人放牛吃草。」我興奮地朝着目標進發，起初只聞鈴聲，卻找不到路，眼前所見祇是漫山遍野的青草地和盛開的野花，幸而走了半小時，終於發現數頭牛在絛欄內悠閒地吃草喝水，正遍幽谷。我靜靜地牛牛」讓我參加時，發現山路崎嶇，一位年輕健不發一言地上前我忙說：「謝謝繼續她的旅程。難，但忘不了那出援手！感謝生命中的「天使」！更感激上天的眷顧，帶領我回到安全地帶，讓我盡情呼吸新鮮空氣！於是，我立刻閉上眼享受鳥語花香和靜聽牛鈴聲！驚然回首，太陽竟已悄悄下山，剩下遠方那抹淡紫餘暉－那幕還是「同場加映」和「個人獨享」的瑞士日落！眼前一切告訴我要把當時的「幸福感懷」銘記於心！也許那就是村上春樹所指的「小確幸」（微小但真確地令人感覺幸福的事）吧。

回顧在「聖言」四十年，也曾經歷過不少「小確幸」！

正值「聖言中學四十五週年紀念」！

祝願「聖言」同人身體健康、活好當下、平安自在！

並祝「聖言中學」在未來的日子，有無盡的四十五週年！

《五個孩子的校長》影片結尾字幕說：「每人一生中，總會遇上一位值得你惦掛的好老師。」在聖言，你總會遇上幾位的，我遇上的不只幾位！

1977年，才廿出頭，我便進入聖言大家庭。那時，我只不過是個站在講台上沒有穿上聖言校服的學生，也是我幸福的開始。我在聖言找到理想，覓得賢內。

初入舅門，才疏學淺，少不更事，有幸得甘伯德神父、許鎮南副校長、林松芳副校長、馬陳翠堅副校長、劉培基老師、唐益謙老師、黃馬婉愚老師、鄧錦成老師（名單太長，恕未能盡列。）等的言傳身教，生命影響了生命，他們都是我生命中，幸運地遇到的、值得惦掛的好老師。教學相長，三十多年教學生涯裏，我的學生與他們的家長都曾經是我的老師。感謝你們！

至今我仍然受教於聖言，感恩！退休後，每逢佳節佳運，聖言都讓我到場磨練我的攝影興趣，又給我機會在聖言園圃學習耕種，聖言沒有拋棄我這個老學生（據我所知，聖言從不拋棄一個願意受教的學生。）。

聖言是我一生都惦掛的好地方！

今年聖言四十五年了，深信各位都曾經遇上一生中值得惦掛的好老師和好同學！聖言會是各位一生惦掛的好地方！

胡禮康

聖言是一個窩心的地方，那窩心的源頭來自她的始創者——甘百德神父，他從始至今都是那麼關懷學校的每一成員，包括老師、寫字樓職員、學校工友和學生。我有幸在聖言任教，也遇上窩心的另一半。

雖然已退休，但每逢節日，那股暖流——甘神父的問暖祝福——總會在遠方傳來，從不間斷。這些問暖祝福還潛移默化至老師與老師、老師與學生、同學和同學之間。

在未來的日子，五十、六十年……，我深信聖言人還是會團結相關，喜樂共享，心窩互暖的。

45th Anniversary Thanksgiving Mass

Father John Zhang Xinghao, SVD

When I first arrived in Hong Kong in 2006, the fathers’ quarters on the fifth floor in Sing Yin campus in Lam Tin was my first home. Within a year, I completed a course called Overseas Training Program (OTP) and went back to the USA in 2007. Although I stayed in Sing Yin to learn Cantonese and how to teach Moral-Civic Education for only a short time, I was struck by the school’s mission statement, which is “I have come so that they may have life and have it to the full.” (John 10:10). I also learned and experienced that Sing Yin has its strong spirit of the school motto “克明紆德”. Every corner of the school campus displays Christian values and beliefs, showing the love of God and spreading the meaning of life. This was what I was attracted to and how I “fell in love” with Sing Yin. That is why I was willing to come back to Sing Yin after my ordination as one of the SVD missionaries.

In celebration of the 45th anniversary of the establishment of Sing Yin Secondary School, a ceremony and a Thanksgiving Mass was held on 14th November, 2014 at 10:30 a.m. in the school Hall. All staff, teachers and students joined the ceremony and Mass to give thanks to God for His Providential Care of us all.

We would like to express our appreciation and thanks to our all co-celebrants and the core celebrant, His Eminence Cardinal John Tong Hon, Bishop of Hong Kong diocese who celebrated the Holy Mass and shared with us an inspiring message from God. The Cardinal said, “May God grant that your charity be persistent, your hope be unfailing, your joy ever constant and your thanksgiving unceasing.”

The Cardinal also blessed the statue of the Immaculate Conception of the Blessed Virgin Mary and the mural painting of God’s Creation, and reminded us to follow the examples of the Blessed Virgin Mary’s faith, hope, and love, and encouraged us to be grateful and to give thanks for our past, and to say “yes” to our glittering future.

Finally, let us all give praise and thanks to our glorious God and may He continue guiding Sing Yin towards another epoch of greatness.
Four Men That Changed My Life

Tam Pok Man (2014 graduate)

When I was still studying in Sing Yin, I always dreamed that one day I could write for the school magazine. I deemed this as a recognition, a privilege and maybe a chance to show my good writing skills to the alumni. Unfortunately, when this invitation finally came to me, I have become a physics student in HKUST. I wonder if I can write so expressively without the regular writing practice which I used to have in secondary school. After struggling for quite a while about what to write, I finally decided to describe the journey that took me to my current position, or more specifically, explain how I became the medalist of several international physics competitions and eventually a physics student in HKUST, working with an internationally renowned professor in the field of superconductivity.

There are four men in Sing Yin who made me the man I am today. The story began with Mr. Tsang Chi Kin, my F.2 mathematics teacher. When I was in F.2, I was already very interested in mathematics and physics. Maybe I was bored when studying the ordinary curriculum, so I spent most of my school time reading advanced materials about mathematics and physics. At that time these were all under-the-table activities, but there was one exception: in Mr. Tsang's lessons I could comfortably study my books on the desk. He even encouraged me to learn the more advanced topics. Because of this freedom, I had the chance to devote most of my energy to what I was really interested in and discovered what I was really good at. More importantly, he introduced me to two brilliant teachers, Mr. Yung Lit Hung and Mr. Chung Tat Chi, who brought me into the wonderland of physics olympiads and mathematics olympiads respectively.

Mr. Chung Tat Chi has never taught me mathematics officially. By "officially", I really mean that he has never been my mathematics subject teacher. However, I acquired the most important skills in solving maths problems and started to understand the spirit of problem solving under his private tuition. Mr. Chung's "tutorial classes" were flexible, with duration ranging from 5 minutes to 1 hour. The topic to be discussed each time was also up to me. Time? It was mostly during recess or after school. The venue was always outside the staff room. Since then, going to the staff room and discussing mathematics with him became one of my major leisure activities in recess and after school. Even till now, I can still recall this pleasure and I am often absorbed in these memories. Sometimes, I brought him some challenging questions I encountered when preparing for competitions, while sometimes I came to him to talk about the "big questions" in mathematics, like Fermat's Last Theorem, Four Color Theorem, Game Theory (Mr. Chung's speciality)... I never knew how he felt when he heard me call in the staff room intercom again and again: "Excuse me, may I speak to Mr. Chung please?" After all, I was using up his rest time and his energy which he might want to save for his next lesson. But no matter what, he came out of the staff room and talked to me every time, wholeheartedly. Thanks to his patience and guidance, I did a pretty good job in mathematics competitions and won some glory for Sing Yin. Once again I thank Mr. Chung for giving me chances to represent Sing Yin in various prestigious mathematics competitions.

In F.2, I basically focused on mathematics. But in parallel, I was studying high school physics with the assistance of Mr. Yung Lit Hung. Mr. Yung is famous for nurturing medalists in the International Physics Olympiad, and for his successful delivery of complex concepts of physics in the most concise manner. Thanks to Mr. Tsang's introduction, I had been given the privilege to meet Mr. Yung at an early stage of my secondary school life. At the very first time I met him, I told him that I wanted to participate in international competitions one day (and get a gold medal, maybe) and asked him to teach me some high school level physics. Frankly speaking, I could never have imagined that Mr. Yung would accept my request and become my "shifu" in the study of physics, nor could I have imagined that in F.3, he would provide me a chance to participate in the Hong Kong Physics Olympiad 2012, when most other participants were indeed F.4 students and each school could only nominate a limited number of students. I really appreciate the confidence that Mr. Yung had in me at
that time, I did my very best in the competition and luckily enough, I won the Championship. As I was already deeply fascinated by physics then (after all, I love physics more than mathematics), I would also grab every chance to ask Mr. Yung questions whenever he was free. Amusingly, if Mr. Chung was not in the staff room, I would turn to Mr. Yung, and vice versa. I really liked this mode of learning! Mr. Yung also rendered me a lot of support during the training and selection of the Hong Kong team members for various international competitions. Given his continuous support, I successfully participated in two Asian Physics Olympiad competitions and two International Physics Olympiad competitions, in which I won a total of two bronze and two silver medals. The only pity was that I did not win any gold medal. The International Physics Olympiad in 2014 was the last chance for me, but once again I missed it. I was pretty upset at the time I returned to Hong Kong. Mr. Yung knew it. He sent me WhatsApp messages to remind me of what I had already achieved and encouraged me to look forward. He was right. I am now having a great time in university: I am studying advanced topics in physics and maths; I am now exploring new phenomena in my research; I have met good friends sharing the same goal with me, and guess what? I have a girlfriend now. So, life would become more beautiful as long as I stop moaning about the so-called “imperfection” in my life. My appreciation goes to Mr. Yung, because he did not impart in me the knowledge of physics, but also the wisdom of life.

Finally, I would like to talk about, and pay tribute to, Mr. Cheung Shi. He was my high school physics teacher, the official one. Many of us already know that he was among the first generation of Hong Kong team members in the International Physics Olympiad. With his experience and expertise in physics Olympiads, Mr. Cheung also offered me a lot of help during my preparation for physics competitions. When talking about his generous support, there is one thing I must mention. It was probably in March 2013, when Mr. Cheung was busily organizing his wedding ceremony, and a few F.5 Sing Yin boys (me included) were struggling with the qualifying exams for selecting Hong Kong team members for international competitions. Though Mr. Cheung was very busy as his wedding was approaching, he still spent a lot of time giving us extra lessons on the materials to be tested. One Friday evening, he even took me and another two students to his church and helped us revise the key concepts in optics and special relativity, as on the next day we would be tested on those two fields. Why in the church? Because Mr. Cheung had to watch the rehearsal of the choir and settle some other business related to the ceremony there. Despite all these, he insisted on delivering an extra tutorial just before our exam, and his wedding ceremony. We worked very hard until 10 pm, I still remember clearly. That evening, we learnt not only physics, but also the selflessness manifested by a young Sing Yin teacher, a Christian. Another unforgettable experience we share is about writing my personal statement for the application of the Student of the Year Award. I passed my essay to Mr. Cheung for comments. Although it was not his duty to help me with the writing, he carefully read it and corrected whatever tiny mistakes I had made, and at last we finished the personal statement at 11 pm that night. Finally I won the award. I have to thank Mr. Cheung for staying late at school and sacrificing his precious private time to help me with the application. Had there not been Mr. Cheung, I would by no means receive this great honour.

In conclusion, there are many teachers who have touched my life, but these four teachers changed my life. They ignited my life-long interest in physics and mathematics. They showed me that Sing Yin Secondary School is one of the best places in Hong Kong where students can discover and fully develop their talents. They guided me to win medals and thus bring glory to Hong Kong, and to Sing Yin. They demonstrated what an inspiring teacher is like.

Last but not least, may I express my deepest gratitude to all teachers in Sing Yin Secondary School, who devote themselves to the construction of one of the best learning environments in Hong Kong.
回憶錄

陳俊豪（2012 毕業生）

時間稍縱即逝，四十周年校慶感覺才沒過了多久，沒想到五年就這樣過去。受到為紀念特刊撰寫文章的邀請，滿懷興奮，卻又為題材煩惱甚久。與聖言千絲萬縷之情，又豈是三言兩語能清楚交代？倒不如跟大家分享自己一些鮮為人知的軼事，或者會比較有趣。

相信每位聖言仔，都總能在學校其中一些地方，尋找最多中學時代的片段。這可以是籃球場、乒乓球桌，也可以是圖書館、教員室、甚至是留堂室。而要數聖言給我最多回憶的地方，非學校禮堂莫屬。

大家也許會覺得奇怪：一個學生平日都不怎會進去的地方，能給你甚麼特別意義？其實，禮堂是我當年在課餘時間流連得最多的地方。那時我和幾位友人習慣到學校飯堂買個飯盒，然後就偷偷「潛入」禮堂的後台，在那存放各種樂器和樂譜的小房間共度午膳。禮堂的台上放置著一部鋼琴，那時的我覺得，這台鋼琴平時甚少使用，就這樣把它放在禮堂實在太浪費了。於是，我便運用午飯後的空餘時間，偷偷的在禮堂內練習鋼琴。有趣的是，在禮堂樓座享用午膳的老師從未阻止過我，也許他們老早就發現了我，卻享受這種時而邊奏著鋼琴曲吧。當然，我也不止一次嘗過被校工發現然後被趕回操場。這種偷偷摸摸練琴的經驗，至今仍記憶猶新。

說起鋼琴，就不得不提聖言的音樂比賽，那對我六年中學生涯別具意義的活動。恰恰的，它又和禮堂有著密不可分的關係。中三那年有幸地換進了樂器組決賽，那是我首次在那麼多觀眾面前、不用再偷偷摸摸彈奏鋼琴。而那次，也是我贏得人生中第一個鋼琴獎項的時刻。中五，時任音樂學會主席，負責統籌整個比賽，也讓從另一個角度感受這個活動。禮堂，由一個向別人展示琴藝的舞台，搖身一變成了自己策劃能力的見證。看著眾多師兄弟，付裝飾精美的舞台上綻放異彩，我就知道，自己的努力沒有白費。中六那年，我與幾位友人一同報名合唱組的比賽，更特地為我們的演出編曲。準決賽那天，我再次踏上台板，把自己第一次「勁歌熱舞」，獻給了聖言的舞台。雖然最後無緣決賽，但偶爾想起這年少輕狂的時光，總會讓自己會心微笑。

聖言就是這麼一個充滿回憶的地方。那六年的點點滴滴，時刻都在你腦海中生動活現。在那裡，我找到與自己共同創造回憶的知己好友；在那裡，我找到跟自己亦師亦友、亦讓從心底裡尊敬的老師；在那裡，我也找到了追尋夢想、尋覓自我的熱情。四十五年來，聖言見證了幾代聖言同學的蛻變成長，成了你我這輩子不可或缺的憶記。由藍田舊校到彩雲新校，聖言給聖言仔的那份溫暖，四十多年，從不變改，每次回到聖言，總能感受那份莫名的親切感與人情味。畢業數年，我從不覺得自己離開聖言——或者應該說從不覺得聖言離開了我，角色每天在轉，唯獨「聖言仔」的身分從不變改。聖言這個家的大門總為你而開，隨時歡迎你回來，一再細味在這那些青蔥歲月。

懷緬往事常陶醉，一半樂事，另一半，也應該是能讓你感謝落淚、畢生陶醉的憶記。寒喧一番後，請容許我以一副對聯作結：「重道尊師勤問學，知書達禮力求名。」那是我多年前參加比賽的拙作，謹祝聖言能繼續薪火相傳、再創高峰！
The platform started trembling,

**QUIVERING, SHAKEING, VIBRATING...**

The train stopped,
The doors opened.
Cramming, squeezing and twirling,
Having only one chance in ten of success,
I managed to penetrate into the train.
"Please stand back from the yellow line. dodododododo..."

Standing right beside the handrail,
Stood a boy wearing a shirt, a pair of grey pants and a tie...
Suddenly,
Cobweb-like cracks emerged from the ceiling
Spreading crazily like a propagating virus.
The entire carriage collapsed,
Revealing the world's **greenest** campus.

To tear off the Monday **blues**,
Students gathered in the covered playground,
Playing cards with faces of **red**.
The most magnificent scene I've ever viewed.

Singing the world's most catchy melody,
The bell reminded the students to line up,
Their **black** shadows facing the same direction.
"Good morning students."
"Good morning sir."
The most powerful, skin-penetrating sound I've ever heard.

The lesson started,
The light froze,
The dust settled,
A mobile phone rang.
The teacher's face grew **purple** with rage,
Emitting a terrifying, burning smell.
The most intense air I've ever sniffed.

Finally,
A **rainbow** appeared.

I awoke from my reminiscing.
"Next station: University"
"Please mind the gap..."
A Trip Down Memory Lane

Yu Chun Yin 6D

The sun was flaming as a fiery ball in the sky as I learnt of an opportunity to write for the school magazine. Delighted but also nervous, I strolled back and forth, pondering and trying to seek inspiration. Just then a familiar scene came to my mind — it happened so long ago that I had almost forgotten it. As I relived that very special moment, I could still recall it was also a bright sunny day.

I was making my way to Sing Yin anxiously to attend the Form 1 Interview. Sweating profusely after a long walk up the winding road, I felt a strange sense of relief as I arrived at the old Lam Tin campus, which had a welcoming, intimate atmosphere. 'So, why would you like to study in Sing Yin?' the interviewer asked with a gentle smile. With a little uncertainty clouding my mind, a few possible reasons came to me in a flash. Perhaps it was the outstanding academic achievements of the school. Perhaps it was the good reputation it had held for decades. Or perhaps it was all those positive comments from my older friends who had studied in Sing Yin. I don't remember what my reply was exactly, but with a satisfactory answer, and more importantly, with good fortune, I was eventually admitted to this big family.

Time flies, and all of a sudden I am no longer a new boy, but a recent graduate. Looking back over the past six years, I am proud to be part of a reputable school that I had aspired to be in. But even more so, I am grateful to have gained a lot of memorable experiences in Sing Yin, not to mention the tight bonds of friendship that would stay in my mind forever.

It did take me some time to gain all the real treasures of school life. Once, I was a student who wasn't too active at joining any extra circular activities or sharing with friends, focusing too much on my own studies. It all changed with a game of chess. I was first attracted to the intellectual challenge, but I got something much better than that in the end. Serving on the committee of the Chess Club in Form 4, I worked extremely well with the other committee members, who were mostly from Form 5. We were bonded not only for our love of chess, but also by our brotherhood as Sing Yin boys. I still remember how I looked forward to the weekly club meetings every Friday afternoon, when the room was filled with the sounds of moving chess pieces, laughter from familiar faces and lively chats of daily anecdotes, secrets and dreams. All these would go on until sunset and it was finally time for us to leave, when any stress would have vanished by then, leaving us with a pleasant feeling of warmth and satisfaction. That is something that will be kept as precious memories for the rest of my life.
Another memorable experience was the Graduation Class Singing Contest. As audience members in the previous five years, we could have never imagined the challenge of creating a show with forty people in a class, but as we started preparing for the contest we soon found that putting on a good performance called for way more than a couple of clever ideas. There were different opinions on what was best for the show, and making a certain decision would inevitably mean that somebody would be disappointed. At a certain point we were even worried that some classmates would choose to drop out of the class performance. But in the end, we all realized nothing weighed more than our unity. We reached a consensus, that even if some might disagree on some arrangements, everyone would agree to be committed to performing on the stage together. It didn't matter whether we would win or lose, because we would enjoy our special moments as a class together, giving the best we had. I guess it is the same on the stage of life? As they say, the journey itself is far more important than the result.

As stressful as the examinations in Form 6 were, I must admit that I am sometimes starting to miss those days of revision now that the DSE is over. As I entered an empty classroom a few days ago, I was unexpectedly struck with a sudden feeling of loss as I recalled how we had worked hard together in the study room, when we buried ourselves in books, when we piled high our notes like a fortress, when we whispered words of encouragement to each other, and when we smiled knowingly to each other as we realized we had missed lunchtime again. The study room was particularly important to us during the days of the DSE. After leaving the exam centres, I always went back to Sing Yin to study no matter how long it took me to go back. The sense of comfort as I approached Sing Yin was incredible, just as I had experienced on my Form 1 Interview Day as a primary student. But this time, it was not how a guest would feel with the distinguished, warm atmosphere of Sing Yin, but it was the one-and-only feeling of returning home, as a Sing Yin boy, seeing all the familiar faces. I realised I was never alone on this long journey.

The blazing sunshine pulled me back to reality as sweat began wetting my face, just before I picked up another call from school. It was the coordinating teacher of the school magazine, trying to provide me with some inspirations for the article. 'So, why did you enjoy studying in Sing Yin?' she asked with a slight laughter in the same way she had done six years ago. With the surreal feeling of travelling back in time to that very special moment, I answered that familiar question once again, but this time I had no doubt as I muttered the words: 'It's my home. My second home.'
四十五代「聖言杯」

由中一時的四十周年，至畢業年的四十五周年，我反覆思索着這些數字背後的意義。校慶，只代表聖言九龍東經歷了四十五個寒暑嗎？

四十五代的「聖言仔」，或許對聖言有四十五種迥然不同的感情、聯想和記憶，但真正把四十五代「聖言仔」串連起來的索引，是人與人關聯的承傳。

畢業之後，課堂上所學的甚麼「之乎者也」，甚麼「畢氏定理」，甚麼「供應模型」將慢慢沉澱在腦海的深處；對聖言的印象只會被時間沖刷成一塊光滑的石子，映出師長、同學一張張親切的面孔。這些面孔教人欄下在校外對人的防備和警惕。曾有一位師兄跟我說：真正的朋友都相識於中學的青澀歲月。

四十五代的「聖言仔」有不同的背景，經歷不同的磨練，走出不同的道路，但我們都不約而同地找到第二個可靠的家。

翻查《維基百科》，我才知道創校鼻祖——甘百德神父巡視課室時，總特意搖晃手上的一把鑰匙來警惕同學，教人育人，循循而善誘。儘管學校的規則看似嚴苛，但聖言是一個讓我明白「過而能改，善莫大焉」的地方。規條是死的，聖言的師長卻能耕耘出一片好土壤，春風雨露，教化一代又一代的「我們」。

記得備戰公開試時，我不斷以歷屆舊試題進行練習，並交給老師評閱。這毋疑加重了他們的工作量，實實在在地侵佔了他們休息和用膳的時間，但聖言的老師從來沒有婉拒批閱，反而比我更執着紙上的一字一句是否到位，是否準確。因此，在公開試漫長的作戰日子中，我並不孤單。創校至今，聖言的師生關係豈只是師生關係？師長，仿若朋友，有時更像我們的「爸爸媽媽」。四十五代「聖言仔」一直在師長的守護下成長、蛻變、展翅；可喜的是，有的更以守護者的角色重回聖言，承傳這段獨特的關係。

三年前，聖言校舍由「危機」變為「全球最綠」的示範學校。一方面，我固然捨不得藍色校舍的任何一個角落；另一方面，我更擔心空間的擴展會減少人碰面、相處的機會，衝擊着串連各代「聖言仔」的寶貴索引。我擔心也許是多餘了！遷校不久，校友會在操場舉辦了一場盆菜宴，我有幸參與其中。不論是剛升讀大學的师兄，甚或貴為人父的前輩，都沉醉在「想當年」的美好時光中。當歷屆社長、會長無分彼此地合照時，我就明瞭：連結四十五代「聖言仔」那無形的繩索，從不因客觀環境而有所改變。

對我來說，校慶的意義，便是為這無形的繩索的延續而感到自豪！因為，我是「聖言」的一份子！
我在聖言經歷不多，但肯定的是，聖言為我生命帶來翻天覆地的巨變。我在聖言失敗過，奮鬥過，跌過，疼過，林林種種的經歷令我對聖言百感交集。但肯定的是：我愛聖言。

中一伊始，我以為過了海就是神仙，對五花八門的學科，退避三舍，敷衍了事，首次測驗過去了，分數像在濃霧之中，九天之外遙遙不可及。雙親只是嘮叨幾句，但我卻像站在懸崖之邊那麼危險，那麼空虛，那麼不安。

不久，我定下宏圖大計，力求在考試中「超英趕美」，我開始獨力思考，主動請教，發揮聖言同學那火一般的幹勁！

考試成績「出爐」，跟我的估計一樣，又是一敗塗地！我勤奮不是空話，但卻未能持之以恆，進了試場才知糟糕，最後試卷像我的臉色般白，連向來引以為傲的寫作也成了不折不扣的廢紙。

父母變了，他們保持緘默；同學變了，他們笑我不自量力。我感到彷徨無助，彷彿是荒漠中一株垂死的草。

不知你對老師，同學甚或校工的意見，抱持什麼態度？意見接受？還是態度照舊？我是……

試後，我默書光蛋，不堪之事傳遍班中，各人報以冷嘲熱諷，意想不到的是，老師竟對全班說：「浩程只是一時失手！」這段經歷可能在老師腦海中只是毫不顯眼的塵埃，但在我心中卻像顯夜明珠，在我那被懶惰蟲蛀，變得黑暗的心田發光。這席話成了我不可或缺的動力，直到那一秒，它仍驅使我繼續奮戰。這段經歷已烙印在我的心中，永不褪色。

還有某校工，他常邊打掃邊鼓勵我，現在每當我開始累，就會想起他的勉勵，努力。雖然我有不少缺點，也未能把懶惰蟲趕盡殺絕，但我深信每位聖言內的人都能化腐朽為神奇。

聖言內有太多人值得我們鼓掌感謝，無論你曾覺得他們多麼嘮叨，多麼微不足道，沒有他們，就沒有今天的你我。

今年是聖言中學四十五周年校慶，在此我謹祝學校光芒萬丈，永耀香江！
